Annual Report 2007-2008

Overview of Crown Minerals activities over 2007/08 and what to expect in the year ahead.

Full Copy [\[1.11 MB PDF\]](#).

Minerals Investment Strategy

New Zealand's mineral estate is a significant national asset with the potential to make a large and long-term contribution to our economic well-being. We need to attract more investors and explorers with the capability and capacity for large scale minerals and coal exploration in regions with the highest exploration potential and lowest environmental barriers to entry. The Minerals Investment Strategy outlines the key steps towards achieving this.
